His Excellency Benjamin Netanyahu  
Prime Minister  
State of Israel  
April 30, 2023

Your Excellency, Mr. Prime Minister,

It is with respect that on behalf of freedom seeking people of Iran we reach out to your esteemed offices to thank you for hosting HRH Reza Pahlavi as a leading voice of change for a free Iran. Children of Cyrus the Great are grateful to you and the people of Israel for the enduring friendship that has withstood the test of time through the millennia.

Mr. Prime Minister; Freedom seeking people of Iran are enraged by the misguided statement issued by 32 members of the Knesset, unintentionally damaging the interests of Israel in a significant way. Do the authors not know that protecting the territorial integrity and cultural diversity of Iran is a non-negotiable belief of all Iranians? Do the authors not know that the terror masters of the Islamic Republic will use this statement to propagate a lie that the State of Israel is after balkanizing Iran?

We know in our hearts that the friendship between the people of Iran and people of Israel is far too strong to be affected by such misguided and ill-advised statement. The reason we reach out to your esteemed offices is to ask for a statement that distinguishes the official position of the State of Israel from the outrageous statement issued by the 32 members of the Knesset.

We thank you Mr. Prime Minister for standing with the brave men and women of Iran who are paying the ultimate price to gain back their stolen freedom.

Respectfully,

Bijan R. Kian  
President and Co-founder
